Dear Sir/Madam

RE: MAGISTRATE'S COURT BA

We have been informed that all matters set in Ba Magistrate's Court between Mondays, Wednesdays and Fridays will not be heard . Could you please let us know when the court is expected to resume daily sittings? Several of our members have matters set for trial on these days and they need to know whether they have to call witnesses for the trials set.

Please let us know urgently as we would like to report the outcome to our members.

Yours faithfully
